## The Ultimate Blow Gun

The **Typhoon** is Coilhose's most powerful blow gun, delivering up to 51 CFM and over three pounds of thrust at 125 PSI. The **Typhoon** is ideal for heavy-duty clean-up and blow-off, and its light weight and sleek design make this gun a favorite. The **Typhoon** meets or exceeds OSHA regulations, and a wide variety of tips and extensions is available.

## High Flow. Maximum Power.

- Meets or exceeds OSHA regulations.
- Maximum flow for easy clean-up and blow-off of even the heaviest shavings and chips.
- Lightweight and ergonomic.
- Variable flow trigger for controlled blow-off.
- Wide variety of tips and extensions is available. (See table below for more details.)
